Letter from the President

Welcome to our 69th consecutive Holiday Spectacular. For the past 68 years we've been honored and thrilled to provide a Christmas tradition that many feel is the kickoff to the holiday season. We hope today's show is no exception.

The Thoroughbreds have had a very exciting year. This Spring the chorus competed at our district convention came in a respectable second. We performed better than we've ever performed and with a little more work we're confident we'll be on top next year.

The chorus continues to experience growth, musical development, and a return to the excellence that brought us 7 Gold Medals over the years. We have lots of new singers, young and not-so-young, and we are always looking for new members of all ages to share in the joy and fellowship of barbershop harmony.

I sincerely hope that you enjoy today's presentation and that you find the special spirit of the Christmas Season uplifting and rewarding. We want you to enjoy Broadway (and Christmas) for the next two hours and feel the spirit of the holidays warming your heart and soul.

Thank you for being here, and Merry Christmas to you all!

Pat Conroy

Letter from the Director

Ladies and Gentlemen,

It is my distinct pleasure to welcome you to the 69th annual Thoroughbred Chorus Christmas show. The Thoroughbreds had a very busy year, including recording a brand new CD! We are very proud of the growth we have made over the year and are looking forward to continue to grow and expand our program over the next few years and beyond.

As usual, our show this year is packed with a large variety of music and, but this time spun into a new Musical Theater production. We are also very excited to have the Hot Air Buffoons for their final performance.

So, sit back, relax, and come with us on this musical journey. Merry Christmas and Happy New Year to all!

Are you interested in a historic setting for you event? Jim Miller Hall is a real treasure! The cornerstone was laid on July 3, 1833. After a fire destroyed the original building, it was dedicated on September 8, 1895. It was then purchased by the Thoroughbred Chorus in 1981. The building was known as Thoroughbred Hall until the Thoroughbred renamed the building after Director Emeritus Jim Miller who led the Thoroughbreds to 6 of their 7 International Championships.

Special Guest Hot Air Buffoons

The Hot Air Buffoons first weighed in back in 1996. Their goal was to sing well and make their audience laugh. The Hot Air Buffoons surprised themselves and others by not only making people laugh, but by progressing in the competition realm as well. At the 2001 Buckeye Invitational Comedy Quartet Competition in Columbus, Ohio, they took home the gold medal and large trophy (which signifies first place). They have continued in the competition realm and are the 2005 Johnny Appleseed District Champions. They have also competed internationally and have been ranked in the top 50 quartets in the world for 7 years running. Two of those years they ranked as high as 16th.

Despite their success in the competition venue, their true love is to entertain. The buffoons have performed on a number of chapter shows (pick any number between 1 and 1,000,000) and if you ask anyone that they have performed for, they will confirm that they are never serious (nor do they want to be). If you have seen them before, the Buffoons hope that you have enjoyed their performance and have fully recovered from the injuries suffered from "sidesplitting" laughter and impacts from errant rubber chickens. But, if you haven't had the chance to hear the unique style of the Hot Air Buffoons, you are encouraged you to lock yourself in your storm cellar now, because before long, they'll be everywhere and you'll find yourself sucked into their stupid humor and crazy antics. They just ask one thing. Don't make fun of the fat guy!
